## for Crochet Patterns by Rebeckah's Treasures

These skill levels are just a guideline. Don't let the difficulty level deter you from trying a crochet pattern you really love because support is always available to you from Rebeckah, regardless of whether that pattern is free on the [blog](#), or one you purchased through the [store](#).

If you have any questions at all, please [contact me](#) and I'll get back to you as quickly as I can!

**Please Note:** The majority of my patterns are worked with cotton thread size 10 and steel crochet hooks. Therefore, these skill levels assume that you are comfortable or accustomed to crocheting with thread and smaller hooks. Otherwise, these follow [the standard crochet skill levels by Yarn Council](#).
