Depending on your skill level and how fast you can crochet, this scrunchy can take anywhere from 30-60 minutes to whip up! This pattern is easily customizable. For fun, you might like to add beads, or increase the initial starter round by 30 or more to create a fuller scrunchy. The sky is the limit!

## **Happy Hooking!**

You will need a ponytail band, yarn, and a hook. This pattern is very flexible in yarn and hook size. I crocheted one using a 1.7mm hook and another using a 2.1mm hook and they ended up being about the same size. I used crochet cotton thread for this scrunchy, but any light weight yarn should work well. If you are using a larger hook size and/or a worsted-weight yarn, you may like to decrease the initial round to 120 or 150 stitches instead of 180.

### **Pattern Instructions:**

Starting with a slip knot, sl st attach to ponytail band, ch 1 pull tight.

**rnd 1:** ch 3 (counts as first dc), dc 179 around the ponytail band, sl st join to first dc of rnd. (**180 st**)

*Use stitch markers as you crochet this first rnd to keep track of how many you have done. I like to put one in the first st and then in every multiple of 30.*

*As you crochet the first rnd, pause to push the stitches back. When you have reached 90 sts, push the stitches back and adjust them so they only take up half of the ponytail band. Continue adjusting them in this fashion until this rnd is finished.*

**rnd 2:** sc in first st, ch 3, skip 2 st, (sc in next st, ch 3, skip 2 st) x 59, sl st join to first sc of rnd. (**60 - ch 3 spaces**)

**rnd 3:** sl st into first ch space, ch 1, sc into same ch space, ch 3, (sc into next ch space, ch 3) x 59, sl st join to first sc of rnd. (**60 - ch 3 spaces**)

*Fasten Off. Weave in ends.*

*And there you have it. An awesome, easy scrunchy!*
